## Objective

Fourth-year Film & TV Animation student eager to contribute 2D animation, character design, and storytelling expertise to a creative studio while continuing to grow as an artist.

## Education

**MTM College of Animation, Art, and Design** **2022 - Present**  
[Animation Program](#)

**Mayfield Secondary School, Caledon, ON** **2018 - 2022**  
Regional Arts Program (RAP) - Visual Arts

## Work Experience

**OFFLINE – [Independent Animated Short Film](#)** **2024 - 2025**

Director & sole Animator of a 2D animated short film emphasizing visual storytelling. Developed the story, character designs, and shot compositions to enhance cinematic appeal, managing character & FX animation, background painting, editing, compositing, sound design, and original score composition. Utilized Toon Boom Harmony & Adobe Suite for animation, compositing, and post-production. Official “Short Animated Film” Winner of the [Toronto Independent Film Festival of CIFF](#).

**BMO, Toronto, ON** – Summer Intern **May-August 2024**

Designed and published a bi-weekly newsletter featuring company news, employee spotlights, event updates, and progress toward BMO’s 2025 goals, enhancing internal engagement. Tracked internal and external project budgets, analyzing monthly expenditures. Designed visual content for BMO’s Quarterly Town Hall, including slides, icons, images, speaker notes, and a detailed event agenda outlining speaker timings and presentation flow.

**INTILLUM HEALTH** – Logo Designer **2024 - 2025**

Created the visual style, colour schemes, and logos for the Intillum brand and [INTILLUM](#) Health platform.
